June 2017

*“Graphite, blackberry, cassis and cedary spice all emerge from the 2014 Columbia Valley Cabernet Sauvignon (100% Cabernet Sauvignon), and it has good minerality, medium-bodied richness and ample charm and elegance.” – Jeb Dunnuck*

*“This is a true pan-Washington Cabernet, with fruit coming from 12 different vineyards scattered across the Columbia Valley. It’s 100% varietal as aromas of char, toast, black cherry meats, herb, cranberry and spice are followed by elegantly styled dark-fruit flavors. The tannins bring a bit of heft and grip.” – Sean Sullivan*
