“The 2016 Merlot checks in as a blend of 78% Merlot, 16% Cabernet Franc, and 3% each of Malbec and Petit Verdot. It's a charmer from this team that has loads of fruit and richness as well as balance, and offers lovely dark fruits and leafy herb aromas and flavors. With no hard edges and a great finish, it's a smoking value to drink over the coming 7-8 years.”

“Aromas of black raspberry, blueberry pie, dark coffee, cherry, vanilla and spice are followed by focused fruit flavors with a firm spine of tannins. It brings a pleasing sense of freshness, despite the warmth of the vintage, and has impressive staying power.”
