“The smaller production 2016 Syrah Estate Seven Hills Vineyard was mostly destemmed (20% whole clusters) and spent 18 months in 40% new French oak. Its deep purple color gives way to a medium to full-bodied, plump, rounded, sexy Syrah that has loads of plum and blueberry fruits, notes of spice and dried herbs, plenty of mid-palate depth, and a great finish. It's another impeccably made wine from this estate that's well worth seeking out.” – Jeb Dunnuck

“Aromas of black raspberry, blueberry pie, dark coffee, cherry, vanilla and spice are followed by focused fruit flavors with a firm spine of tannins. It brings a pleasing sense of freshness, despite the warmth of the vintage, and has impressive staying power.”

“Structured and precise, with sturdy currant, green olive and stony mineral accents that finish with refined tannins. Drink now through 2025.” – Tim Fish
