## 2021 Syrah, Estate Seven Hills Vineyard Walla Walla Valley

**93 PTS**

*Vinous, Eric Guido* - August 2023

The 2021 Syrah Estate Seven Hills Vineyard entices with a nuanced blend of wild herbs, spiced citrus rinds, olives and earth tones. It's soft textured and pliant, with a mineral tinge up front. Zesty acidity further enlivens its tart wild berry fruits. This is distinctly savory and intense. A primary concentration lingers along with edgy tannins as violet inner florals and tart black raspberry notes fade. There is simply so much going on here, yet the 2021 is still so young. The future appears to be very bright.
