JamesSuckling.com, Andrii Stetsiuk - March 2024

Substantial and structured, this medium-bodied wine is layered in almond, Bosc pear, earth and tobacco notes that have the concentration for further development with time. Light nuances of vanilla, coconut and mango add to its allure. Drink or hold.

Wine Enthusiast, Michael Albery - March 2024

Melon, wet slate and mint aromas lead to racy flavors of cantaloupe, freshly grated ginger, grilled lemon and a touch of guava. The wine's mouthfeel is lean, with electrifying acidity. Give me a tub of triple cream cheese, a spoon and a glass of this wine, and I will one happy fellow.
