CABERNET SAUVIGNON

COLUMBIA VALLEY

2022 VINTAGE REVIEWS

91 JAMES SUCKLING

"This pure Cabernet Sauvignon has aromas of blackcurrants, bay leaves, walnuts and nutmeg. It's full-bodied, supple and very drinkable, with fine-grained tannins and a creamy texture. Drink or hold."

91 VINOUS

"The 2022 Cabernet Sauvignon Columbia Valley is savory in the glass, with a brooding mix of crushed blackberries, pencil shavings and ashen stone. It's silken in feel with polished red and black fruits, all guided by a core of juicy acidity. This 2022 tapers off refined and long, leaving a staining of primary concentration and sweet tannins as hints of licorice fade."
