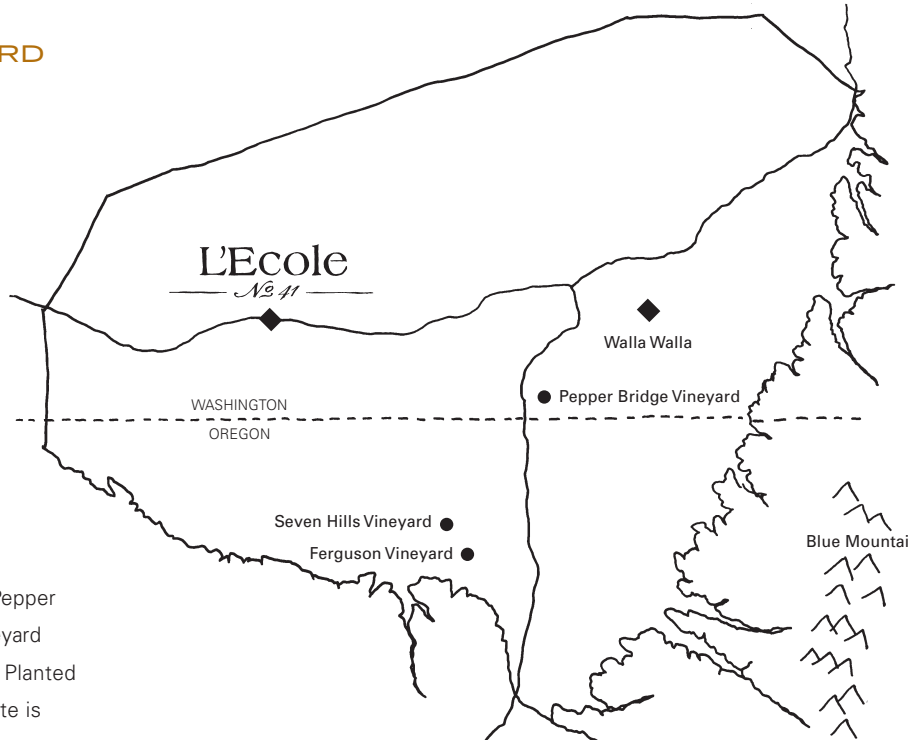
# WALLA WALLA VALLEY & ESTATE VINEYARDS

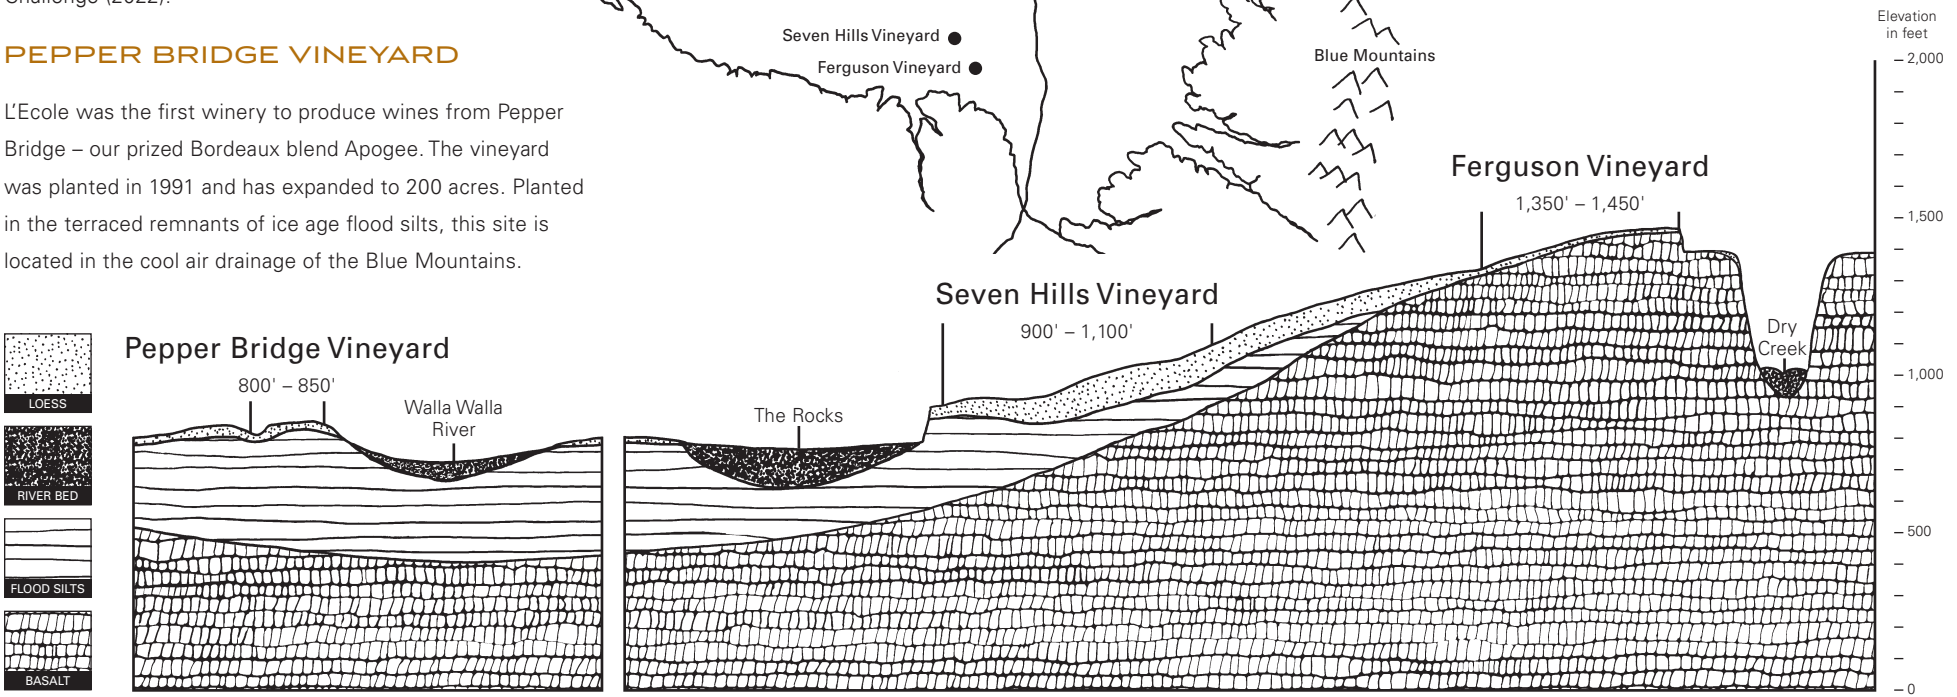
### ESTATE SEVEN HILLS VINEYARD

This 170-acre vineyard is planted in the wind-blown loess of geologically young, mineral-rich soils, and is one of the Walla Walla Valley's oldest and most acclaimed vineyards. Seven Hills Vineyard was named one of the "Ten Great Vineyards of the World" by Wine & Spirits Magazine. More than one-third of L'Ecole's red wine production comes from this vineyard. Our Perigee Estate Seven Hills Vineyard blend was awarded Best New World Bordeaux Blend from the Global Fine Wine Challenge (2022).

### PEPPER BRIDGE VINEYARD

L'Ecole was the first winery to produce wines from Pepper Bridge – our prized Bordeaux blend Apogee. The vineyard was planted in 1991 and has expanded to 200 acres. Planted in the terraced remnants of ice age flood silts, this site is located in the cool air drainage of the Blue Mountains.



### ESTATE FERGUSON VINEYARD


Named in honor of our founders Jean and Baker Ferguson, Ferguson Vineyard is an exclusive 42 acre high elevation Estate vineyard for L'Ecole. Its soil is a thin mantle of wind-blow loess overlying fractured basalt from 15-million year old ancient lava flows. Ferguson has twice garnered international acclaim being awarded two international trophies for Best Bordeaux Blend from Decanter World Wine Awards (2014) and Six Nations Wine Challenge (2016).
